CONSENT AGREEMENT AND FINAL ORDER

Introduction

Prior to the filing of a complaint in this matter, the parties have agreed to the settlement of an administrative cause of action for the assessment of civil penalties under Section 16(a) of the Toxic Substances Control Act (TSCA), 15 U.S.C. § 2615(a), in accordance with the United States Environmental Protection Agency's Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits, found at 40 C.F.R. Part 22. Pursuant to 40 C.F.R. § 22.13(b), it is the intent of the parties to simultaneously commence and conclude this proceeding by the issuance of this Consent Agreement and Final Order.

The Complainant, by delegation from the Administrator of the United States Environmental Protection Agency (EPA), is the Chief, Radiation, Asbestos, Lead & Indoor Programs Branch, EPA, Region 7. The Respondent is Richard D. Nicholas, 2033 Happy Lane, St. Louis, Missouri 63129.

Complainant's Allegations

Complainant has reason to believe that Respondent has violated Section 409 of TSCA, 15 U.S.C. § 2689, by failing to comply with the regulatory requirements of 40 C.F.R. Part 745, Subpart F - Disclosure of Known Lead-Based Paint and/or Lead-Based Paint Hazards Upon Sale or Lease of Residential Property ("Disclosure Rule"), which was promulgated pursuant to Section 1018 of the Residential Lead-Based Paint Hazard Reduction Act of 1992, 42 U.S.C. § 4852d. Specifically, Complainant alleges:

Count 1

1. Richard D. Nicholas ("Respondent") is an individual person.
2. For all periods of time relevant to the violation alleged herein, Richard D. Nicholas owned a residential property located at 5002 Idaho Avenue, St. Louis, Missouri (the "Property").
3. The Property was constructed prior to 1978.
4. The Property is "target housing" as defined by 40 C.F.R. § 745.103.
5. In or around October 1999, Respondent entered into a rental agreement (the "Contract") with Angela Barnes for the lease of Respondent's Property for residential use.
6. As a result of the Contract described in Paragraph 5 above, Richard D. Nicholas became the "lessor" and Angela Barnes became the "lessee," as those terms are defined by 40 C.F.R. § 745.103.
7. Angela Barnes subsequently moved into the Property along with a one-year-old child.
8. Pursuant to 40 C.F.R. § 745.107(a)(1), before the lessee is obligated under any contract to lease target housing, the lessor of target housing must provide the lessee with an EPA-approved lead hazard information pamphlet.

9. Respondent did not provide an EPA-approved lead hazard information pamphlet to Angela Barnes prior to being obligated under the rental Contract described in Paragraph 5 above.

10. Respondent's failure to provide an EPA-approved lead hazard information pamphlet to Angela Barnes prior to being obligated under the rental Contract described in Paragraph 5 above is a violation of 40 C.F.R. § 745.107(a)(1) and Section 409 of TSCA.

CONSENT AGREEMENT

1. For the purposes of this proceeding, Respondent admits that Complainant has jurisdiction to bring this action pursuant to the statutory and regulatory provisions cited above, and neither admits nor denies Complainant's factual allegations above.

2. Respondent waives his right to contest Complainant's allegations above, and his right to appeal the Final Order accompanying this Consent Agreement.

3. Respondent and Complainant agree to conciliate this matter without the necessity of a formal hearing and to bear their respective costs and attorneys' fees.

4. Respondent certifies by the signing of this Consent Agreement and Final Order that to the best of Respondent's knowledge, he is presently in compliance with all requirements of 40 C.F.R. Part 745, Subpart F - Disclosure of Known Lead-Based Paint and/or Lead-Based Paint Hazards Upon Sale or Lease of Residential Property ("Disclosure Rule").

5. Respondent consents to the issuance of the Final Order hereinafter recited and consents to the payment of a civil penalty in the amount of Five Hundred Dollars (\$500) to be paid within forty-five (45) days of the effective date of the Final Order.

6. Respondent understands that his failure to timely pay any portion of the penalty stated in Paragraph 5 above may result in the commencement of a civil action in Federal District Court to

recover the full remaining balance, along with penalties and accumulated interest. In such case, interest shall accrue thereon at the rate determined by the Secretary of the Treasury (currently two percent (2%) per annum for the period January 1, 2003, through December 31, 2003) on the unpaid balance until such civil penalty and any accrued interest are paid in full. A late payment handling charge of \$15 will be imposed after 30 days and an additional \$15 will be charged for each subsequent 30-day period. Additionally, as provided by 31 U.S.C. § 3717(e)(2), a six percent (6%) per annum penalty (late charge) may be assessed on any amount not paid within ninety (90) days of the due date.
